

VILLAGE OF ROUND LAKE HEIGHTS

PRESCRIPTION DRUG DISPOSAL BOX

A prescription drug disposal box has been installed in the lobby of Village Hall to safely and securely dispose of prescription medicines that are expired or no longer needed. The box is secure and tamper-proof. The box will accommodate large and small pill bottles. Liquids and syringes are not accepted in this box *

Village Hall Hours:

M-F 9am - 5pm

Saturday 9am - Noon

(847) 546-1206

After Business Hours:

Gen-Com Dispatch

(847) 270-9111

Don't let expired prescriptions or prescriptions that are no longer needed fall into the hands of a drug seeker or experimenter. Young people seeking a "high" often experiment with drugs found in their own home. There are even instances where guests in your home take some or all of prescriptions they can find in your medicine cabinet. If they are no longer needed or safe...get rid of them!

* There is a separate syringe disposal box available at Village Hall. Make sure the syringe is safe to transport and handle until safely deposited into the receptacle.
