

## Village of Round Lake Heights Monthly Newsletter

[www.villageofroundlakeheights.org](http://www.villageofroundlakeheights.org)

December 2017

Dear Residents:

I hope everyone enjoyed their Thanksgiving Holiday. Please join us for our annual Christmas Tree Lighting on December 2<sup>nd</sup> at 7:00 pm. This will be at Arrowhead Park/Veteran's Memorial Park in a heated shelter not the Village Hall. Santa will be arriving on a Fire Truck at 7:00pm. While the kids are visiting Santa, you will be able to enjoy caroling from the Round Lake Area Schools Choir. I really encourage all residents to attend this event as we are making this a very special family gathering.

Donations for the food drive are currently being accepted at the Village Hall. You may drop off canned goods or cash donations during business hours. Once again thank you for your support and showing the meaning of Holiday Spirit.

Have a safe and happy holiday season!

As always, if I can be of any assistance, please do not hesitate to contact me at (847) 546-1206.

-Terrance Lumpkins, Mayor

For any questions contact  
SWALCO 847-336-9340.

## Senior Corner

*“One of the most important phases of maturing is that of growth from self-centering to an understanding relationship to others. A person is not mature until he has both an ability and a willingness to see himself as one among others and to do unto those others as he would have them do to him.” » Harry A. Overstreet*

Baby it's Cold outside. Please take precautions one of the evils of winter – snow shoveling. Just make sure that if you choose to shovel, take a partner or let a neighbor know. Remember, when it's cold outside, your heart works double time to keep you warm. Strenuous activities like shoveling snow may put too much strain on your heart, especially if you have heart disease. Shoveling can also be dangerous if you have problems with balance or have “thin bones” (osteoporosis). We can't stop you but here to help you.

“**Christmas** is not a time nor a season, but a state of mind. To cherish peace and goodwill, to be plenteous in mercy, is to have the real spirit of **Christmas**.”

## Sidewalks, Driveways & Fire Hydrants

Pursuant to Village Ordinance, property owners are required to clear sidewalks of snow and ice within 24 hours of a snowfall.

When clearing driveways, pile snow to the right of the driveway when facing the street to limit the snow throw back by plows. Village Ordinance prohibits dumping snow in the street when cleaning sidewalks and driveways.

Residents are asked to remove snow and ice around the fire hydrants so they are clear and accessible to emergency fire crews.

Your cooperation ensures the safety of our community.
