

Village of Round Lake Heights Monthly Newsletter

February 2016

Dear Residents:

Mark your calendars! March 20th is our annual Easter Breakfast. More information will follow soon. Starting late February we will be dredging Arrowhead Pond by Tomahawk Trail and Pontiac Court through a small grant we received. Dredging the pond will create a little more water storage and will also help create the pond to have a better appearance.

As mentioned in last months newsletter, Lake County has recently approved an ordinance to increase sewer rates. The sewer rate has increased from \$3.51 to \$3.67 per one thousand gallons. You will see this reflection on this months bill.

If have any questions don't hesitate to contact me.

Sheriff's Office Warns Residents of Telephone Scam

The Lake County Sheriff's Office has received reports of residents getting fraudulent telephone calls from individuals representing themselves as someone from the Lake County Sheriff's Office. The offenders are using tools to "spoof" their telephone number, making it appear on recipients' caller identification as a phone number used by the Sheriff's Office. Here are some safety tips.

- Don't give identifying or personal information to anyone over the telephone unless you have confirmed who you are speaking with.
- Don't provide payment information to anyone over the phone unless you have initiated the conversation
- If you unsure of a caller's identity, ask for their name and callback number, then hang up and verify their information via the Internet or telephone book
- If a caller is asking for someone who isn't home, tell the caller they can't come to the telephone versus informing the caller you could be home alone

If you think you've received a fraudulent telephone call, contact the Lake County Sheriff's Office
